

# STUDIO919

## AMENITIES GUIDE

Last updated 4/1/2019

# Welcome to **STUDIO919**

Studio 919 is a 1,000-square-foot event space in downtown Austin that offers a beautiful view of historic Congress Avenue just a few blocks from the Texas State Capitol.

With top of the line A/V offerings, Studio 919 is perfect for meetings, cocktail receptions, film screenings, podcast recordings, livestreamed public events, panel discussions, workshops and more.

## **HD Video Display**

- High-definition 12-by-6-foot video wall perfect for PowerPoint, video, still photos or logo displays

## **Worry-free Audio**

- Whether you just need a simple microphone for a lone presenter or you have a panel of guests fielding questions from the audience, our professional-grade sound ensures everyone in the room hears perfectly.

## **Professional-level Video**

- If you want to record your event, our HD cameras provide crystal-clear video coverage.
- Robotic and wall-mounted, our cameras require no in-room operators, meaning your guests can focus on the event without being distracted by equipment or production personnel.

## **Livestream Your Event**

- We can stream video of your event on your site, Facebook, YouTube and many other services.

## **Flexible Room Configuration**

- We offer a range of layout options to fit your needs, including theater, classroom, boardroom and cocktail party layouts.
- No matter your event, our flexible stage and room lighting fits your needs. From broadcast-quality studio shots to intimate fireside chats to multicolor party up-lighting across the walls, our lighting complements your event.

**We are here to  
make your event  
planning easier**
